## Isn't It Great to Wake up Here in Warren County?

Please join me in February for more on the Rosenwald Schools...

*WCTS/NWHS Principal's Home Built 1924*

Good Morning! Just a reminder that tomorrow, on 15 February, from 1:00pm – 2:00pm in the Community Room at the Warren County Memorial Library I'd like to invite everyone who has been working tirelessly to preserve and promote Warren County's Rosenwald Schools over the years: NWHS/WCTS Alumni...John Hawkins Alumni...Heck's Grove...Liberia School and countless individuals are all invited to an initial meeting to discuss ideas to promote these schools to Warren County and beyond. The goal is to see how we can all work together to preserve, promote and raise funds towards those goals. I have a few ideas, but mainly a lot of "what-ifs". Please join me for a beginning conversation. All you need to bring is your passion and your ideas. If you can make this meeting, please call me at 252-257-2657 or **send me an email.** I'm looking forward to meeting all of you!

Enjoy the rest of your week!---Craig

## Warren County Historical Tidbits: The Warrenton Baptist Church

### A Rich History

It seems that 2017 has been the year for me to once again do battle with a severe sinus infection...and as a result, I'm finding it hard to stare at a computer screen for long. I'll be working on finishing the story of the Warrenton Baptist Church and will send a supplement with the story to everyone later this week.

My apologies for the delay...

Wherever you turn in Warren County we have a jewel..."Warren County Historical Tidbits" is a project of The Chamber of Commerce of Warren County.

## NC Cooperative Extension: Economic Vitality

How Can We Improve Our Communities?

meeting will be held at the Vance County Regional Farmers Market at 210 Southpark Drive in Henderson.

On Monday, February 27 from 6:00 – 8:00pm, The Warren County Office of the NC Cooperative Extension is hosting a meeting to discuss our local communities. This

This meeting will explore a number of questions, including: What should our community do to improve its economic vitality? What would make it more attractive to good and stable employers? How do we prepare ourselves and our workers to become more self-reliant? How can we provide everyone in our community with opportunities for success?

Please join your neighbors in a deliberation of the pros and cons of these three economic development options for Vance and Warren Counties. The purpose of this deliberation is not to advocate a specific solution or point of view, but rather, it is intended to inspire thoughtful examination of differing points of views and a movement towards common ground around which our community can plan for its future.

## There's Still Time for Someone to Make a Local Institution Yours...

Warrenton Supply Company Needs New Owners

I've watched the steady stream of people stopping by Warrenton Supply across the street, which is unfortunately closed for now...but, thanks to one of you (or someone looking for a wonderful, new hometown), we can remedy that situation with new owners for the new year for Warrenton Supply.

I stopped by Warrenton Supply in December and asked Eddy Serls what would happen with the store beginning in the New Year and got some hopeful news...for at least the next month or two they'll continue to take offers from interested buyers for the store as it stands...great inventory matched to what the customers need and ready to re-open.

This is someone's chance to own not only a vibrant and viable business, but to also carry on a central part of our local community. From my short time here in Warren County and my past year and a half across the street from them, I can tell you that this store sees a steady stream of customers 6 days a week. The new owners won't need to "establish" a business...the customer base is already here.

Here are the basics for you to know (and to pass along to a friend who may be looking to take advantage of the wonderful quality of life we have here in Warren County): From **Sandra Shearin & South Shore Realty Company...**

***TAKE ADVANTAGE OF THE GREAT OPPORTUNITY!! Established hardware store w/ roots going back to the 1950's. Established customer base that extends well beyond the city limits into 4 NC counties. Approx. 2200 sf. retail floor space, 3080 sf. warehouse, 810 sf. shop & 5544 outside storage. Purchase price includes building, land, equipment, fixtures and inventory. Excellent growth potential by expanding paint center, adding lumber, gardening supplies, equipment repair & rental & much more. YOUR OPPORTUNITY TO PURCHASE EXISTING BUSINESS & BECOME YOUR OWN BOSS & LANDLORD AT LOW COST!***

News from your fellow Chamber Members...

Here's a brief rundown of special offers or events from Chamber member businesses. If you'd like your business or event featured just send me an email with all the relevant information to [info@warren-chamber.org](mailto:info@warren-chamber.org). I'll add it to next week's newsletter.

- **Lakeland Theatre.** Come enjoy a night of karaoke with Larry Williams and the gang at Lakeland's Cabaret February 25. Doors open at 7pm. Karaoke starts at 8pm. Tickets are \$7.00 at the door. Bar food will be available for purchase along with the normal concessions! Can't wait to see you there!
- **Lloyd's Bakery.** A friendly reminder from Lloyd's Bakery about our ordering system: orders received by noon Saturday are ready for pick up on Wednesday, and orders received by noon Wednesday are ready for pick up on Friday. We have added a whole wheat loaf (\$6) made with molasses and a caraway seed rye bread (\$6) to our regular list of multi-grain (with or without seeds), cinnamon raisin, and rustic loaf or boule, as well as our gluten free "French" bread. Let us bake fresh for you!  
Don't forget Lloyd's is open Tue – Sat from 7am to 5pm with fresh-baked goodness. Connect with them online at Facebook: <https://www.facebook.com/LloydsBakeryandCoffee/> or on their website: <http://www.lloydsbakery.net/> and by phone at: 252-257-1239
